Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for F-35 Munitions Maintenance & Inspection Facility Jacksonville International Airport- Design in fiscal year 2023. The entity to receive funding for this project is FL Air National Guard located at St. Francis Barracks, 82 Marine Street, St. Augustine, Florida 32088.

The funding would be used for munition storage and operating facilities to meet the new mission requirements of the F-35A. The new conventional maintenance building will include reinforced concrete foundation and floor slab and concrete walls with maintenance bays.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

---
